RETAIL TAG

USE PAGE 2 AND 3 OF THIS DOCUMENT
AS A TEMPLATE FOR YOUR ARTWORK.

- Text and important design elements should be away from the safety margin.
- For bleed, artwork should extend 0.125 inches past the dieline (covering the bleed area).
- Delete all template elements (including dieline) before exporting press ready PDF file for uploading to Jukeboxprint.com

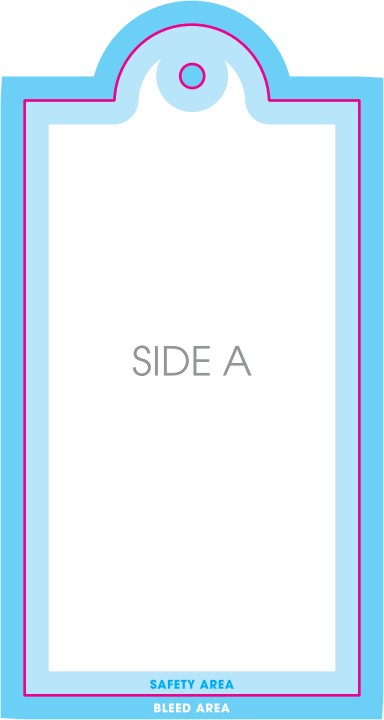

DIELINE

BLEED AREA

SAFETY AREA

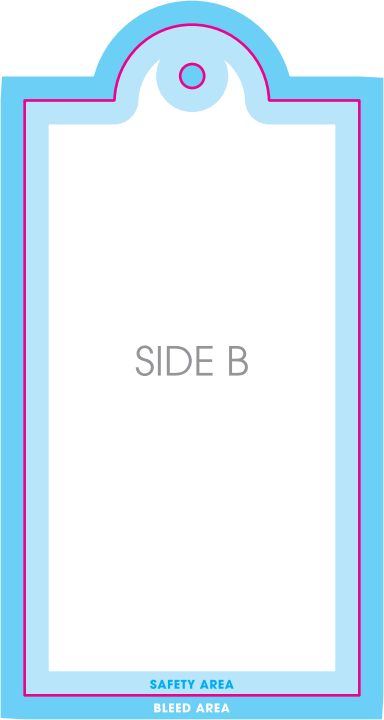

The diagram shows a label template. At the top is a decorative arch with a central circle. Below this is a large rectangular area. The text 'SIDE A' is centered in this area. A light blue border surrounds the central area, and a magenta line is just inside it. At the bottom, there are two labels: 'SAFETY AREA' and 'BLEED AREA'.

SIDE A

SAFETY AREA

BLEED AREA

The diagram shows a label template. At the top is a decorative arch with a light blue background and a magenta outline. Inside the arch is a small circle with a magenta outline. Below the arch is a large white rectangular area. This white area is surrounded by a light blue border, which is further enclosed by a magenta border. The text 'SIDE B' is centered in the white area. At the bottom, the labels 'SAFETY AREA' and 'BLEED AREA' are positioned within the light blue and magenta borders respectively.
